

Overview of Conceptual Site Models for Vapor Intrusion Mitigation Subgroup Training Materials

Vapor Intrusion Mitigation Team | December 2020

The Conceptual Site Models for Vapor Intrusion Mitigation subgroup of ITRC’s Vapor Intrusion Mitigation Training team prepared a fact sheet and checklist to support training on vapor intrusion (VI) mitigation:

- [Conceptual Site Models for Vapor Intrusion Mitigation Fact Sheet](#)
- [Vapor Intrusion Mitigation Conceptual Site Model Checklist](#)

The [acronyms](#), [glossary terms](#), and [references cited](#) in these documents are also available on the Vapor Intrusion Mitigation Training team website.
